TIO CANUTO description

WHAT DOES IT OFFER?

Our Princess V58 is a 19-meter of length vessel with a beam of 4.6 meters and a power of 2140 horsepower (x2 CATERPILLAR 1070 horsepower each), which offers you all the requirements you could ask for on your luxurious and well-deserved vacation.

She has all kind of details of a high-performance yacht. She has 3 cabins, 2 bathrooms, a large living room, and a spacious kitchen inside. Outside, we find an open cabin to the cockpit, 2 comfortable seats for commanding the boat, 2 large sofas, and 1 large table anchored to the cockpit. Outside of the open cabin, towards the stern of the ship there is a solarium and another one towards the bow. Aft, there is a swim platform with a ladder (pool-type, to facilitate getting up from the water), and 1 electronic foldable garage, where the 3m auxiliary boat with a 15 horsepower engine (for 4 people) is located.

TIO CANUTO has all type of elements that fulfil your expectations.

Inside:

The cabins: 3 cabins and 2 bathrooms; 2 of them have a large bed (ideal for couples), Smart TV, mirror, windows, lights of different types (reading, dim and bright), and independent drawers and wardrobes for the two guests. The third cabin consists of 2 bunk beds, with a Smart TV, windows, wardrobes, and lights of different types (reading and bright).

The living room and kitchen: It has a spacious living room and an open kitchen on it; the spacious living room has a cozy sofa, a large table, a Smart TV, lights of different types (dim and bright), and large windows; the kitchen has a wide countertop, ceramic hob, sink, microwave, L'OR coffee maker, fridge, freezer, dishes, cutlery, extractor, large windows and lights of different areas.

Outside:

The open cabin: has 2 luxurious skipper's seats, 2 sofas, 1 large table, 1 refrigerator, 1 ice maker, 1 barbecue, 1 sink, coasters in different areas, a retractable roof, and lights of different types (wide, courtesy). The boat's control panel is located here and is exclusively for the skipper.

Aft: 1 solarium, 1 garage for the auxiliary boat and for all the water toys and leisure extras that are hired (the garage has an electric winch to facilitate the upload of the auxiliary boat and other elements), a swimming platform with freshwater shower and temperature control, and an electric gangway to facilitate the boarding and disembarkation of passengers in port.

Towards the bow: 1 comfortable solarium, electric windlass, and anchor.

Other characteristics of TIO CANUTO:

The floor of the inside of the boat is carpeted, except for the bathrooms. The deck of the cabin is made of teak. It has wide and comfortable corridors that make an easy communication between the bow and stern. Fuel tank of 2500l (diesel), fresh water tank 600l.
