VIP ESCAPE description...

WHAT DOES IT OFFER?

- Mains features:

VIP ESCAPE (Refit 2024) is a boat of 20 meters of length, 5 meters of beam, and a power of 2600cv (x2 MAN 1300cv), which offers you all the requirements that you can ask for in your luxurious and well-deserved vacations.

In it we find all kinds of details that give it the characterization of a high-performance yacht. It consists, inside: 3 cabins, 3 bathrooms, a large living room and a large kitchen with an American bar; outside: we find a cabin open to the cockpit, made up of 4 luxurious armchairs (one of them used to control the boat), 2 large sofas, 1 table anchored to the cockpit, a bar to hold drinks; outside (external to the cabin: 2 solarium (aft) and 1 solarium (bow); aft: bathing platform, with ladder, and 2 large electronically folding warehouses, 1 of which is located the semi-rigid brand new dinghy (2024) with a Suzuki 20hp engine (this has a central console, capacity for 5 people, and trailer anchor).

Note *: In addition, it also has 1 cabin with 1 bathroom in which the crew will stay.

COMFORT AND EQUIPMENT:

VIP ESCAPE has all kinds of elements that give you the comfort you want.

- Inside:

The cabins: 3 cabins with their own bathroom (electric toilets); 2 consist of a large bed (ideal for couples), television, mirror, windows, lights of different types (reading, dim and wide) and separate drawers and cabinets for the two occupants of the room; the third cabin consists of 2 bunk-type beds, with windows, cabinets and lights of different types (reading, and wide).

The living room and kitchen: It has a spacious living room and a kitchen open to it, but separated by an American bar; the spacious living room has a large sofa, a luxurious wooden table and a television, different types of lights (dim and wide), windows; the kitchen has a large worktop, ceramic hob, sink, microwave, nespresso coffee machine, refrigerator, freezer, dishwasher, dishes, cutlery, extractor, 1 breakfast bar, 2 stools, windows, lights in different areas.

- Outside:

The cabin: It has 4 luxurious armchairs, 2 sofas, a large table, 1 refrigerator, 1 ice maker, 1 grill (barbecue), 1 sink, 1 bar to leave glasses, folding sunroof, lights of different types (dim and wide), control panel for the management and control of the boat (exclusive to the captain).

Aft: 2 solariums, 2 warehouses, one for the semi-rigid dinghy and the other for all the sports and leisure extras that are hired (both warehouses have an electric wincher to facilitate the rise of the dinghy and other elements), a bathing platform, with fresh water shower, and an electric gangway to facilitate boarding and disembarking of passengers in port.

In the bow: 1 solarium, electric windlass and anchor.

OTHER FEATURES OF VIP ESCAPE:

The interior of the boat is made of wood, except for the cabins (carpeted) and the entire exterior is made of teak wood. It has wide and comfortable corridors that make it easy to communicate the stern with the bow. The changes of rooms are wide, comfortable and safe. 3800L fuel tank (diesel type), 715L fresh water tank and water maker. Also equipped with WIFI – Starlink.
