Description of PARTAGAS

WHAT DOES IT OFFER?

- General Specs:

PARTAGAS is an 18-meter-long vessel, 4.6 meters wide, and with a power of 1410hp (x2 CATERPILLAR 705hp), offering all the requirements you might ask for during your luxurious and well-deserved vacation.

It includes all sorts of details that characterize it as a high-performance yacht. Inside, you will find: 3 cabins, 3 bathrooms, a large living room, and a spacious kitchen. Outside: we find an open cabin to the aft deck, consisting of 1 luxurious armchair for controlling the vessel, 2 large sofas, 1 sunbed, and 2 tables anchored to the aft deck. Externally: 1 sunbathing area (at the stern) and 1 sunbathing area (at the bow); at the stern: a swimming platform with ladder, and an electronically retractable storage space, housing the auxiliary semi-rigid boat with a 2.5hp Suzuki engine (with capacity for 4 people).

COMFORT AND EQUIPMENT:

PARTAGAS is equipped with all the elements that provide the comfort you desire.

- Inside:

The cabins: 3 cabins with private bathrooms; 2 consist of a large bed (ideal for couples), Smart TV, mirror, windows, different types of lights (reading, soft, and ample), and separate drawers and wardrobes for both occupants of the room. The third cabin consists of 2 bunk beds, a Smart TV, windows, wardrobes, and different types of lights (reading and ample).

The Living Room and Kitchen: It has a spacious living room and an open kitchen; the living room features a cozy sofa, two small glass tables, a Smart TV, different types of lighting (soft and ample), and large windows. The kitchen includes a large countertop, ceramic hob, sink, microwave, Nespresso coffee machine, refrigerator, freezer, tableware, cutlery, extractor, large windows, and zone-specific lighting.

- Exterior:

The Cabin: It has 1 luxurious captain's chair, 2 sofas, a sunbed, 2 tables, 1 refrigerator, 1 ice maker, 1 grill (barbecue), 1 sink, cup holders in various areas, an openable glass sunroof, different types of lighting (soft, ample, courtesy), a control panel for the operation and management of the vessel (exclusive to the captain), and remote control handles.

At the Stern: 1 sunbathing area, 1 garage for the auxiliary semi-rigid boat and all contracted sports and leisure extras (the storage has an electric winch to facilitate the lifting of the auxiliary boat and other elements), a swimming platform with freshwater shower and temperature control, and an electric gangway to facilitate boarding and disembarking passengers at the port.

At the Bow: 1 comfortable reclining sunbathing area, electric windlass, and anchor.

OTHER FEATURES OF PARTAGAS:

The interior flooring of the vessel is made of wood. The exterior flooring is made of teak wood and fiber. It has spacious and comfortable walkways that make it easy to communicate between the stern and the bow. 2000L fuel tank (diesel), 600L freshwater tank
